

Agricultural projects: Project Appraisal Documents Descriptives

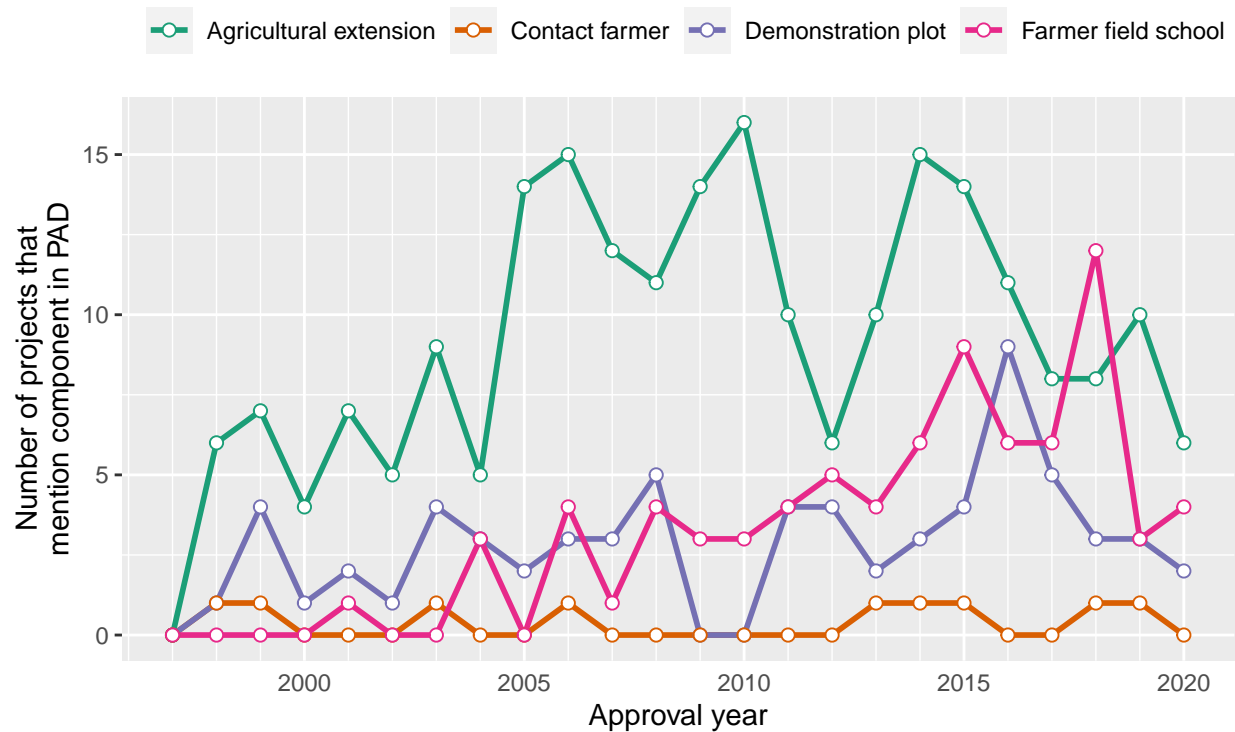

Dataset description

- We scraped the operations portal and WB docs to find the Project Appraisal Documents of World Bank project in the agriculture practice
- The operations portal lists a total of 2765 agriculture projects approved between 1987 and 2020
- Of those, 401 projects included their PADs in the documentation on either the operations portal or WB docs

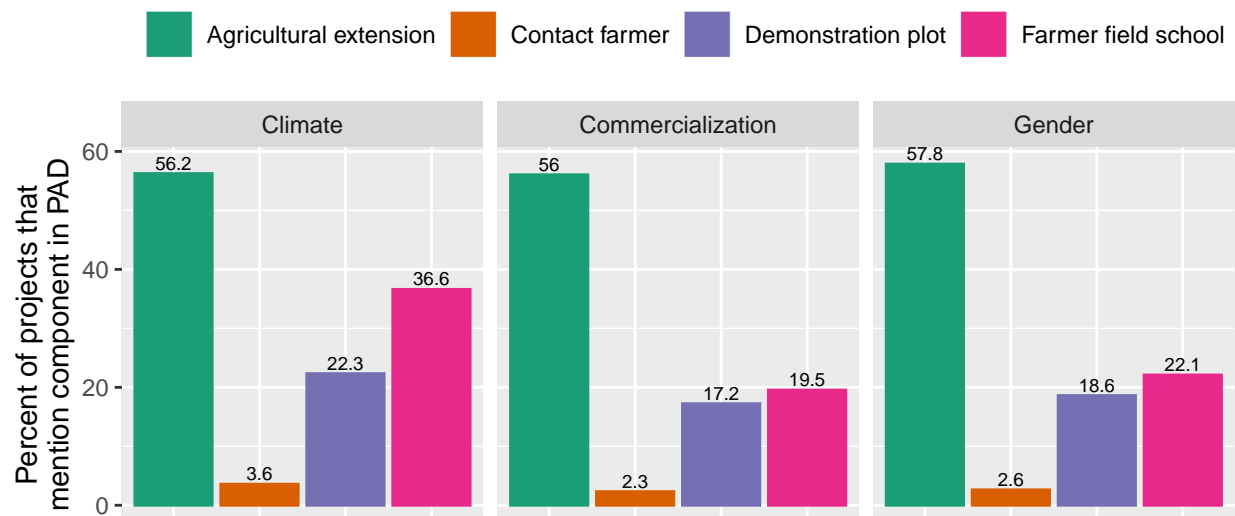

How common are mentions to components?

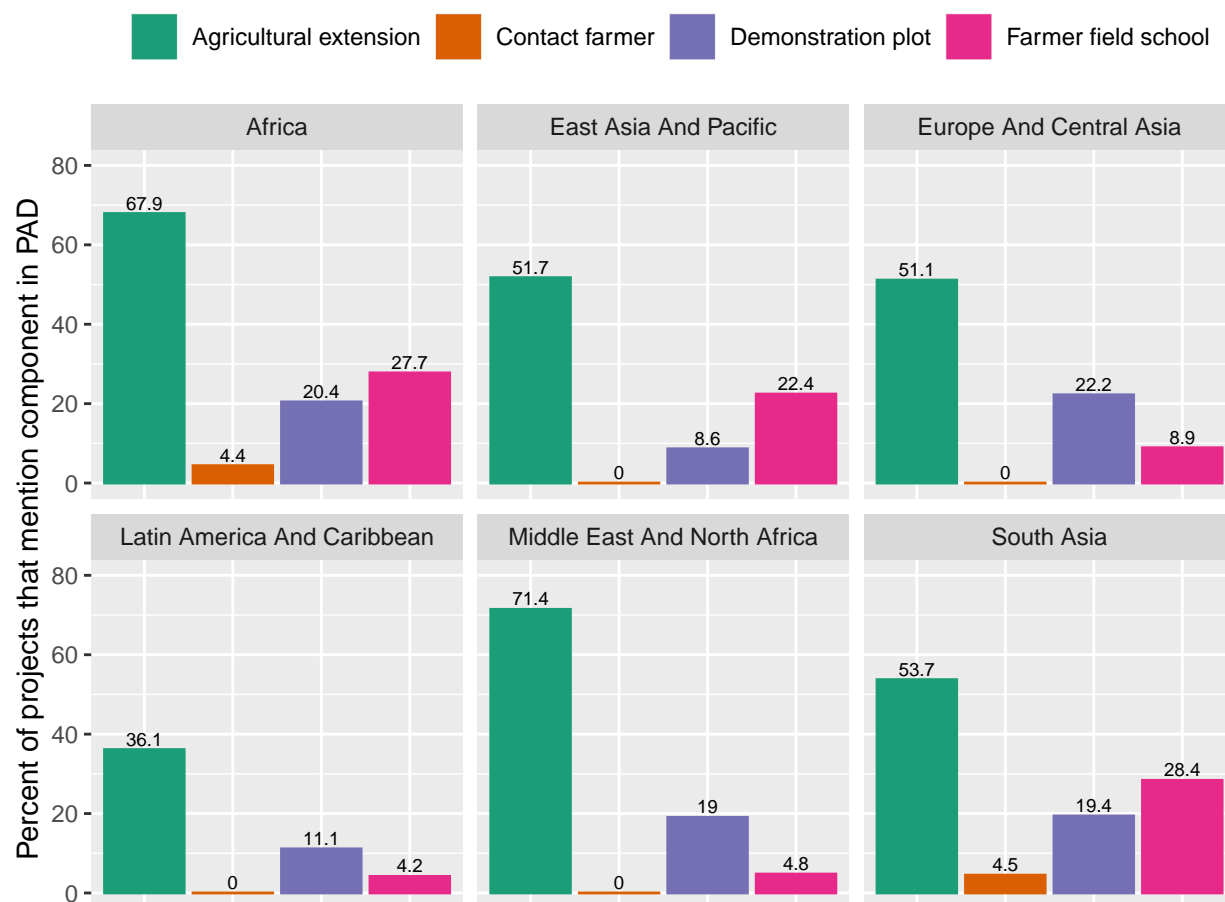

Over time

By cross-cutting themes

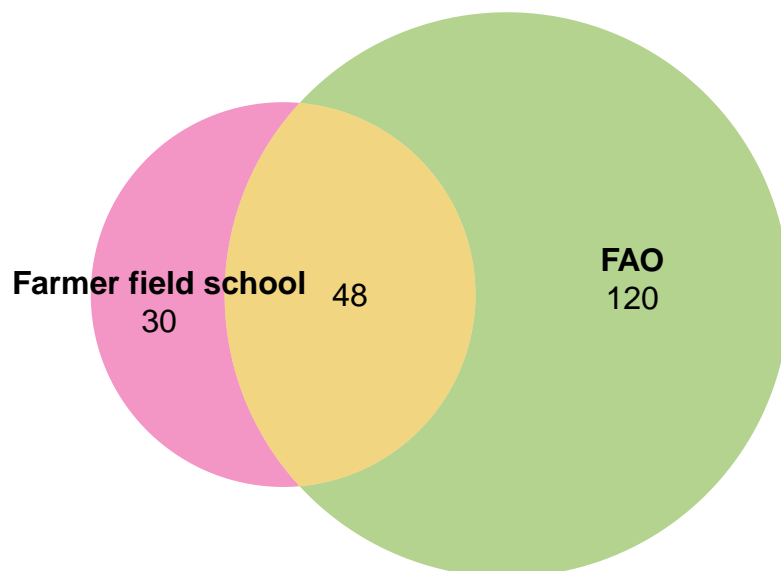

Across regions

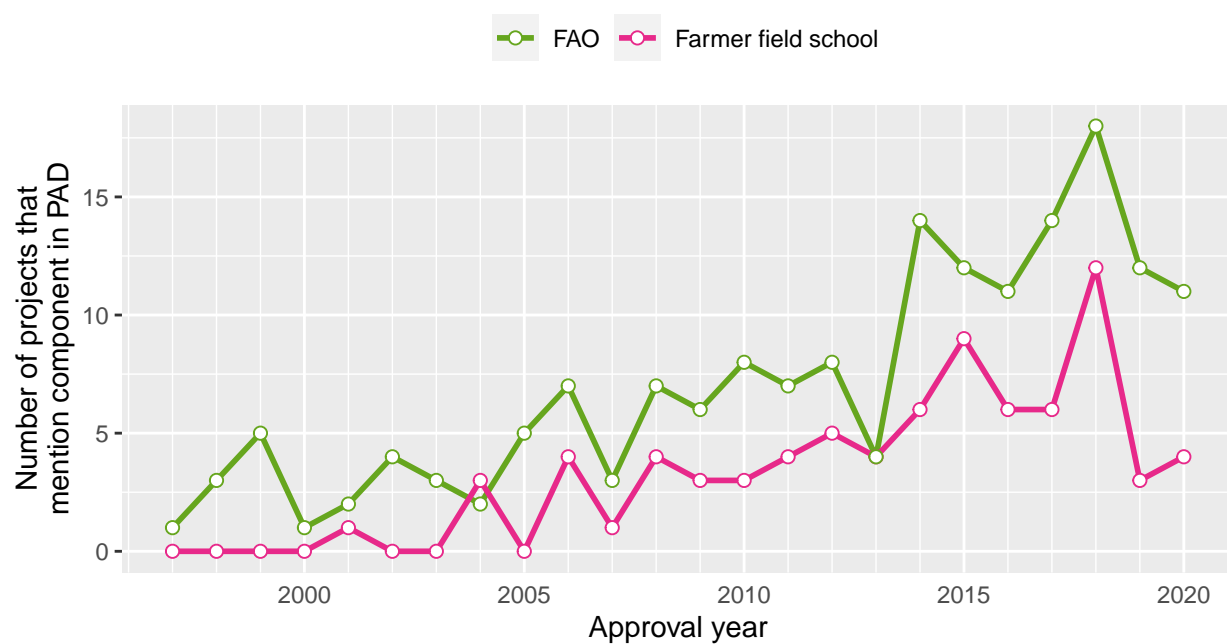

How often are farmer field school projects implemented in partnership with FAO?

Common mentions

Trends

How are components presence related to project net commitment?

Total net commitment

Median net commitment
